

The logo features a stylized 'M' composed of a red geometric shape on the left and a grey geometric shape on the right. To the right of the 'M' is the word 'axline' in a white, lowercase, sans-serif font.

Maxline

REVOLUTION BY DESIGN

CREATE

YOUR

DREAM.

# Maxline

THIS UNIQUE PROFILE, NAMED AFTER  
RENOWNED ARCHITECT MAX PRITCHARD,  
OFFERS YOU A STYLISH AND COST EFFICIENT  
SOLUTION FOR YOUR BUILDING PROJECTS.

Made from steel, this concealed fix cladding profile is perfect for roofing and walling. It's fully trafficable which means there is no need for a substrate (translation: less material cost, less labour cost).

Maxline offers the ability to add style and space with colour and finish options you've never seen before.

#### Features & Benefits:

- Concealed fix flat profile
- Self-spanning up to 1500mm
- Perfect for both walling and roofing
- Mansard application is available (transitioning from wall cladding to roofing in a single sheet)
- Genuine 325mm wide pan profile
- Strong narrow 'needle' 53 rib line
- Innovative Angle Cut technology for clean lines and a superior finish on all rakes and hips
- The strongest flat pan concealed fixed profile in Australia which requires no plywood, no button punching and no mechanical seaming.

#### Minimum Roof Pitch:

Can go down to a minimum roof pitch of 1 degree

# COLOURS & FINISHES

Maxline is available in standard, matte and ultra COLORBOND® steel finishes.
